April Showers Where are the Flowers?

FIREWISE USA

Residents reducing wildfire risks

Spring has sprung. Some wildflowers and some new growth, please be patient with your trees, some may still be in shock and slowly recovering. Keep in mind that all landscaping hours clipping dead bushes and clearing brush counts towards the firewise hours. So please report your time to me,

Elota Patton, Coordinator – Crystal Hills Combined Firewise Team

Ila Creek, Radiance, Goldenwood, Goldenwood West & The Wizard Academy at elotap@hotmail.com.

HELP PREVENT THE SPREAD OF OAK WILT.

Don't trim trees

between Feb 1 and June 30.

Get informed.

If you need information about oak wilt

go to <http://texasoakwilt.org>

The oak wilt prevention season is still upon us inside Goldenwood West!
