Issue 08 2020

THE GOLDENWOOD WEST BOARD OF TRUSTEES CORDIALLY INVITES YOU TO THE ANNUAL HALLOWEEN EVENT ON SATURDAY, OCTOBER 31ST .

Parade and Treats - No food or party due to CDC guidelines

The parade will start at 5:00 pm with all participants meeting at the Goldenwood West Water Supply Well on the east side of Westview Trail at Scenic Oaks Drive and end at the recreation area.

Please follow 6 ft distancing during parade.

The Board encourages as many property owners as possible to participate and decorate your vehicle, bike, wagon, or person in any manor as you wish. Halloween theme is not a requirement. The main focus is community and celebration. The Board will issue prizes for the top winners. Parade participant winners will be announced shortly after everyone has completed the parade and grabbed a bag of treats.

Please follow 6 ft distancing while picking up your treats.

Please follow social distance during your neighborhood trick-or-treating afterwards.

All neighbors participating in giving away treats, please bag each item as recommended by the CDC. Due to health and food sensitivity our neighborhood participates in the TEAL PUMPKIN project. If you have giveaways for these children, please bag and mark it with a teal pumpkin so they know there is something for them too. Tailgating at the end of the main streets along Westview Trail is encouraged more than ever this year.

Space your area safely for the children to pick up their bag of goodies.

A plastic Halloween mask is not a substitute for a protective mask.
